WELCOME TO RADIOFEST 2006

To All Radiofest Participants:

The *Antique Radio Club of Illinois (ARCI)* is now in its 26th year, and is stronger than ever. This year's *Radiofest* includes a complimentary reception, special educational programs, two auctions, two free seller's raffles, and an expanded swap-meet / flea market. In addition, ARCI will be operating a special event ham radio station, AR9CI, as authorized by the FCC.

We invite the general public to attend the *Radiofest* flea market as our guest. There is no admission fee for attending the selling areas. All Boy Scouts and Girl Scouts in uniform may attend all events, programs and activities free of charge (except the banquet).

ARCI's officers and membership have done everything within their means to ensure *Radiofest* is safe and enjoyable for everyone. Many thanks to all the volunteers who make *Radiofest* come to life each August. Thank you all for coming and we hope you have a great time at *Radiofest 2006!*

DAVID BART,
ARCI PRESIDENT
