

2009 Lincoln Art & Balloon Festival

Downtown Fun Park Vendor Application

We invite you to participate with us in the Kickapoo block between Pekin Street and Broadway to make the "Fun Park" a reality. We are requesting for you to search out your creativity and develop a great children/family game or activity to compliment this area. Use your imagination to create an engaging activity for all ages to enjoy. We hope that you will see this as an opportunity to fundraise, reach out to the community, and showcase your club or organization. If you choose to offer a free activity to the community there will be no charge to your organization, but a \$25 fee will be assessed if you intend to charge for your activity/game. You will receive a 10x10 booth space where you can set up your activity.
