

Welcome;

For three festive days in late August, Lincoln and Logan County skies and streets are filled with bright vivid colors, wonderful live music, the smell of delicious foods, tents filled with beautiful fine art, crafts from all over, and games and activities for children of **all** ages.

These sites, sounds, and smells can only mean it is time for the Lincoln Art & Balloon Festival. If you've never experienced the site of 40 colorful hot air balloons quietly floating through the morning and early evening skies along with the illuminating balloon glows each evening at dusk, it is something you should add to the list of things you **must** do. If you've had the pleasure of these experiences you know how breathtaking these visions can be. It is with great pride that the Lincoln/Logan County Chamber of Commerce welcomes you to our annual Lincoln Art & Balloon Festival (LABF). Whether it's the whimsical special shapes, children's art tent, flea market or wine tasting that catches your attention or the 1800's craft fair at Postville Courthouse that takes you back in time, the LABF has something for everyone. This year we have a new outdoor entertainment stage that is out amongst the crowd, so everyone has the opportunity to enjoy our guest bands, GLORY DAYS, Country Maverick's, and The Brat Pack. We have invited PWE, Professional Wrestling Entertainment, to join us on Saturday evening to entertain the crowd in between balloon launches and glows. We hope you have a magical experience at the Lincoln Art & Balloon Festival and you leave captivated and wanting more. Don't forget to explore downtown Lincoln and our other historic cities in Logan County while you are here.

Enthusiastically,

Andi

Andi Hake, Executive Director
Lincoln/Logan County Chamber of Commerce
