PROPOSED AMENDMENT TO THE 1970 ILLINOIS CONSTITUTION

Explanation of Amendment

The proposed amendment, which takes effect upon approval by the voters, adds a new section to the Suffrage and Elections Article of the Illinois Constitution. The new section would provide the State's electors with an option to petition for a special election to recall a Governor and for the special election of a successor Governor. At the general election to be held on November 2, 2010, you will be called upon to decide whether the proposed amendment should become part of the Illinois Constitution.

If you believe the Illinois Constitution should be amended to provide for a special election to recall a Governor and for a special election to elect a successor Governor, you should vote "YES" on the question. If you believe the Illinois Constitution should not be amended to provide for a special election to recall a Governor and for a special election to elect a successor Governor, you should vote "NO" on the question. Three-fifths of those voting on the question or a majority of those voting in the election must vote "YES" in order for the amendment to become effective.

For the proposed addition of Section 7 to Article III of the Illinois Constitution.
