

Peter Pan Musical Performance

Shelley Thomas, Director

The musical performance of *Peter Pan* debuts at the Hartem High School on Friday, May 11th and 12th.

We are proud to present our leading roles of Morgan Charron as "Captain Hook," Tori Deavers as "Peter Pan," and Maddie Thomas as "Wendy Darling," under the direction of Shelley Thomas and assistance of Ms. Nowatney, Mrs. Folkman, and Mr. Loseke. The play has been a high school endeavor, but has recently invited the participation of many of our junior high students in both speaking and non-speaking roles. We are excited

to try out our newly installed sound system, as well.

Many thanks to the hard work of our cast members and families that have endeavored to complete our sets and for the various donations from community members for props, costumes, etc.

Things are looking great!

Tickets are on sale through cast members and the office for \$3 each. Call Hartem High School at 642-5244 for more information.

James Matthew Barrie, the writer of this play, has willed that proceeds from the royalties be donated to Great Ormond Street Hospital Children's Charity in London--which has been benefitting from it since 1937! It is certain Peter Pan and his adventures have helped towards making the Hospital the incredible centre of hope it is today.
