SPECIAL ACTIVITIES:

The annual EAA AirVenture (www.airventure.org) gathering is known as one of the world's largest and most significant aviation events. Each summer in Oshkosh, Wis., more than 500,000 people and 10,000 airplanes attend a week-long celebration of flight. EAA AirVenture features nearly 1,000 educational forums, seminars and workshops presented by the top names in aviation. It also includes competition judging of the best aircraft in a variety of different categories, from design and restoration to actual construction.

EAA also has a very active network of Chapters located worldwide. Many of the 1,000 EAA Chapters sponsor their own fly-ins, workshops, airport days and other aviation-related events. EAA Chapters alone account for more than 14,000 aviation activities each year.
