

### Prayer Service and Community Luncheon

Mr. Welch welcoming the students, staff, Fr. Laible and community guests.

Mayor Snyder also shared words with our students.

The students enjoyed lunch with over 40 community workers. As you can see, the kids love to mingle with the adults.

Again this year Chief Greenslate laced up his skates and skated with our students for a bit during recess.

You never know who will lace up some roller skates....Tiffany White, Constituent Service Specialist, Congressman Aaron Schock's office (lady in the skirt on skates).

# Community Service Projects

Grades 5–8 ventured out into the community to provide service at: Christian Child Care; Oasis Senior Center; Mission Mart; Pink Shutter; St. Clara's Manor; Christian Nursing Home; Castle Manor

Thanks to the CCS families' generosity we packed 25 Journey Bags for the Woven Together organization.

Julianna and Corinne and Davey and Eric are a couple of students who buddied up to help pack the journey bags. Thank you students and parents for sharing your big hearts!
