Ron Keller - Allen Chapel 902 Broadway Street

Mr. Keller came forward as a historian to give background

This church started in 1868. It was previously a school. Once the congregation grew a new church was built in 1880 in the same location. The church served as more than a place to worship, it was considered a safe place for African Americans that were slaves. In 2003, the church was recognized as a national and city historical landmark.

The roof is starting to sag and there may be some mold that will need remediated. Mr. Keller has agreed to be caretaker of the church. A new Friends of Allen Chapel group is being created. They'd like to partner with tourism. In order to apply and receive grants, there cannot be any outstanding bills or liens. Mr. Keller is asking the city to recognize the church and its importance and to waive current bills with penalties totaling \$1,957.33 that the church owes the city.

Clerk Bateman said the majority of the past due amount is penalties that total \$850.00. There is a lien on the account due to the past due bill.

Mayor Welch would be in favor of waiving the past due so that the group would be able to apply for grants and get some structural improvements done.

The sewer bill is currently suspended and there are no ongoing charges. There are no plans to reconnect water or sewer or install electricity.

Alderman Bateman suggested using the tourism line to pay for the charges and waiving the lien.

Treasurer Conzo was also in agreement of waiving the charges. He felt that compared to the dollar amount spent on the Mill the amount was relatively small.

This item will be put on the regular agenda.

L. Keeley Construction pay application No. 7

The amount due is incorrect on Pay App #7. The correct amount is \$430,883.72.

This project is near finishing at 93%. An additional request was made to the EPA for additional reimbursements in the amount of 858,337.00. If the request is approved, the council will vote on whether to accept it.

This item will be placed on the regular agenda.

Ordinance Amending the Economic Development Grant Commission and Economic Development Program.

There is an Economic Development Grant Commission meeting this Friday regarding the amendment. The Commission's suggestion will be brought to the Council on 11.01.2021 for vote.

This item will be placed on the regular agenda.

Postville Park Pavilion Proposal

Justin Deitrich (LCHS woodshop instructor) contacted Mr. Landers late last year and asked if the city would have a good location for his class to erect a pavilion. Mr. Landers felt Postville Park would be the best location. \$5,000 is budgeted for this project.

Alderman Bateman asked for an estimation to run electricity to the pavilion. He also asked that the placement of the pavilion be set back away from 5th St road for safety.

This project will begin in the Spring of 2022.

This item will be placed on the regular agenda.
