## MEMORANDUM

**TO:** Mayor and Aldermen of the City of Lincoln

**FROM:** Walt Landers, Street Superintendent

**MEETING**

**DATE:** December 14, 2021

**RE:** Use of Sewer Enterprise Fund to Purchase New Street Sweeper

---

**Background**

September 7, 2021 at the Regular City Council Meeting, council approved the purchase of a new Elgin Broom Bear Street Sweeper for \$280,343.00. This sweeper has been built and will be delivered soon. During 2021/2022 Budget discussions it was decided that the intent would be to make an initial down payment on the sweeper and finance the remaining balance.

**Analysis/Discussion**

After further discussion, then Alderman Ron Fleshman brought to our attention that the purchase of a new sweeper would be an eligible expense to be paid out of the city's Sewer Enterprise Fund. Street sweeping is listed as one of the activities in the city's Storm Water Pollution Prevention Plan. Using these funds will allow us to purchase the new Sweeper without financing.

**Fiscal Impact**

There is \$45,687.00 available from the Equipment Rental Fund line # 70-3600-7860. The balance of the purchase price of the sweeper of \$234,656.00, would be paid out of the Sewer Enterprise Fund.

**COW Recommendation**

Approve and place on the agenda of the December 20, 2021 Regular City Council Meeting, the expenditure of \$45,687.00 from the Street Department Equipment Fund, line #70-3600-7860 to put towards the purchase of the new Broom Bear.

Approve and place on the agenda of the December 20, 2021 Regular City Council Meeting, the use of the Sewer Enterprise Fund to pay balance of \$234,656.00, for the new Broom Bear.

**Council Recommendation:**

Approve the expenditure of \$45,687.00 from the Street Department Equipment Fund, line #70-3600-7860 to put towards the purchase of the new Broom Bear.

Approve the use of the Sewer Enterprise Fund #50-7400-7865, to pay balance of \$234,656.00, for the new Broom Bear.

RE: Lab Equipment

---

### Background

The attached quotes are for new lab equipment. Most of the lab equipment within these quotes are for replacing items that were purchased in the 2001 plant upgrade.

### Analysis/Discussion:

There are 3 quotes attached to this memo. The quote from USABlueBook is for replacing the biological oxygen demand incubator, biological oxygen demand meter and probe, laboratory refrigerator, ammonia meter and probe, pH meter, autoclave, and the chemical oxygen demand digital reactor block. The quote from Fisher Scientific is for replacing the pH probe. The quote from Mettler Toledo is for a new lab balance. All of these quotes amount to a cost of \$28,847.06. This cost is a \$6,586.24 savings from list pricing(\$35,433.30) due to using nationally negotiated contracts; which provide preferential pricing. I am requesting the City Council move on these items now to avoid January 1<sup>st</sup> cost increases.

We attempted to get these through the SRF loan program in conjunction with the CSO upgrade, to take advantage of the 30% debt forgiveness. It would have also allowed us to expense the costs over a 20 year period. The state will not allow us to get these items through this program, at this time.

### Fiscal Impact:

A cost of \$28,847.06 to be expensed from the "50-7200-7860 Capital Expense - Equipment" line item.

### Council Recommendation:

Approve the purchase of lab equipment in the amount of \$28,847.06 to be expensed from the "50-7200-7860 Capital Expense - Equipment" line item.

## Description

For routine pH and titration measurements with small samples and small vessels, where separate half-cell electrodes may be impractical

- 0 to 14pH range
- Porous ceramic junction
- Twist-open/twist-close cap for easy filling
- Constant distance between FS-5 Universal Glass pH bulb and reference junction means high reproducibility
- Immersion depth, ~4 in. (10.1cm)
- 30 in. long (76.2cm) leads, except 13-620-91, which has 60 in. long (152.4cm) lead

### Choice of Ag/AgCl Single- or Double-junction internal reference elements

- **Single-junction models with Ag/AgCl reference** are perfect for routine pH and titration measurements of aqueous solutions with small samples, small vessels
- **Double-junction models with Ag/AgCl reference** are useful in aqueous and nonaqueous solutions, and in applications requiring TRIS buffers
- For aqueous and nonaqueous samples
- Double-junction Ag/AgCl eliminate measurement and clogging problems when used in research with Tris buffers

## **Information Technology Maintenance**

1. **Term.** We shall provide support and maintenance for existing IT infrastructure. A list shall be attached to this document. Beginning on \_\_\_\_\_ and effective until the end of the current fiscal budget year. Renewal shall be automatic unless either party has given 60 days notice of intent to terminate.
2. **Maintenance Fees.** From the signing date of this contract until the end of the fiscal year we shall provide services for the consideration of \$10,000 payable within 30 days of the receipt of this agreement. Before the contract renews, both parties shall agree upon future rates for each additional fiscal year. If no agreement can be reached, either party shall be allowed to terminate. Failure to pay within 30 days shall be considered a breach of contract and services may be withheld or terminated until payment has been satisfied.
3. **Maintenance Services.** Maintenance is defined as service to ensure the proper function of the current IT infrastructure. We will be provided with a list of existing equipment. Replacement of failed equipment will be at the expense of the City of Lincoln. We provide no warranty for existing equipment unless it was purchased from Notto Technology & Consulting, LLC and is still within 3 years of the purchase date.  
Monthly maintenance will likely include updates to software and hardware and replacement of equipment that is expected to fail but is still operational. All replacements will be approved by the City of Lincoln and provided at the expense of the City of Lincoln. We shall notify the City of Lincoln of any possible downtime and make reasonable efforts to minimize downtime during the normal working day. A report will be provided after maintenance along with a list of recommendations if any exist.
4. **Excluded Services.** Any implementation of new technology or projects not previously discussed shall not be covered as maintenance. Personal technology devices shall not be included or defined as maintenance. Anything that isn't clearly defined shall be agreed upon before any work is performed.
5. **Client Responsibilities.** Remote support may be provided from time to time. The City of Lincoln is responsible for connectivity and security standards to ensure they are in compliance with CJS. Compliance for our systems will be our responsibility. The City of Lincoln shall provide us with a list of approved personnel that are authorized to initiate a support request. If it is determined that the request falls outside of regular maintenance an additional fee may be assessed at a rate of \$120 per hour during normal business hours. (8:00 AM until 5:00 PM Monday through Friday, excluding holidays)
6. The City of Lincoln will be provided with a phone number to initiate support calls and is responsible to ensure support requests are initiated by authorized personnel. In the event that the call isn't answered a voicemail should be left or a text message sent if it isn't prohibited by

---

CJIS. The Mayor and Department Heads should be notified of the need for a service call during normal business hours in order to stay within the budget and reduce the need for additional fees.

## MEMORANDUM

**TO:** City Council Members  
**FROM:** Mayor Tracy Welch  
**MEETING DATE:** December 14, 2021  
**RE:** Amendment: 1-27-3(A) Tenure of Office (of Administrative Assistant)

---

### **Background**

In 2021, the City Council approved the creation of the Administrative Assistant position. Exit interview feedback from the previous Administrative Assistant prompted the City Council to review the code which addresses the appointment and tenure of office for the position. Because the position is appointed by the Mayor with the advise and consent of City Council it makes sense that an individual who is appointed to the position can not be removed without City Council approval.

Therefore I propose that section 1-27-3(A) Tenure of Office of the Lincoln City Code be amended:

From:

The term of the office of the Administrative Assistant shall be not shorter than for one year nor longer than the term of the Mayor appointing the Administrative Assistant. The Administrative Assistant may resign from office or may be removed therefrom only in such manner as is provided by the statutes of the state pertaining to the resignation or the removal of the appointed officers.

To:

The Administrative Assistant may resign from office or may be removed therefrom by the City Council by a majority vote of all members authorized by law.

### **Fiscal Impact**

None

### **COW Recommendation**

Place "Amendment: 1-27-3(A) Tenure of Office (of Administrative Assistant)" on the December 20, 2021 Regular City Council Meeting agenda.

### **Council Recommendation**

Approve proposed amendment of "1-27-3(A) Tenure of Office" as described in this memorandum.

**ORDINANCE NO. \_\_\_\_\_**

**AN ORDINANCE AMENDING 1-27-3(A) OF THE LINCOLN CITY CODE**

THIS ORDINANCE is made and adopted by the CITY COUNCIL OF THE CITY OF LINCOLN, LOGAN COUNTY, ILLINOIS, at a regular meeting held in the City Council Chambers in said City on the \_\_\_\_ day of \_\_\_\_\_, 2021, WITNESSETH:

WHEREAS, the CITY OF LINCOLN is a municipal corporation located in Logan County, Illinois; and

WHEREAS, the CITY OF LINCOLN created the Administrative Assistant through ordinance 2021-942 which established Chapter 1-27 of the Lincoln City Code; and

WHEREAS, the CITY OF LINCOLN contemplated that the term would run through the term of the Mayor as outlined in 1-27-3(A) but now that the position has been in operation the City Council believes that is not a necessary provision; and

WHEREAS, the CITY OF LINCOLN does not believe that the position of Administrative Assistant needs to be tied to the term of the Mayor; and

WHEREAS, the CITY OF LINCOLN believes it would be more appropriate that the Administrative Assistant can only be removed via resignation or a majority vote of the Council;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the CITY COUNCIL OF THE CITY OF LINCOLN, as follows:

1. The City of Lincoln will amend Title I Chapter 27 of the Lincoln City Code replacing the language in 1-27-3(A) to reflect that the Administrative Assistant term can only be terminated via resignation or majority vote of the City Council (See Exhibit A).

2. Effective Date. That this Ordinance is effective immediately upon passage of the same.

The vote on the adoption of this Ordinance was as follows:

Alderman Parrott	_____	Alderwoman Rohlf's	_____
