Re: Hiring replacement officers

For your consideration and discussion at the next Committee of the Whole Meeting, scheduled for Tuesday, December 28th, 2021.

As I advised the Fire & Police Commission in November, I wanted to hire officers from the new hire list, which had just been established, in October 2021. I felt we had really good candidates, especially the top 3, Noah Morgan, Takarri Long and Kristina Lashbrook. Also at that time, we had on hand, one Lateral Entry Application from a Mason County Deputy, Greg Cox. Furthermore, we knew with the retirements of Jim Rehmann and Paul Adams, we would be hiring at least 2 officers, but I would approach City Council, requesting to get Jake Kitner replaced as well, since we had good inclination, Jake would be retiring sometime in late spring, essentially, going on vacation in late March, running his benefit time out and ultimately retiring in late June.

We made contact with all of the Police Academies across the state. Illinois State Police, U of I-Police Training Institute, Macon County, DuPage County and Bellville. As I made you aware, in prior COW Meetings, most of the training academies were full. DuPage County was too expensive, U of I was not taking any more recruits for all of 2022, Bellville could not give us a straight answer on their January class space and Macon County was full for both the January class and the April class. This left us with the Illinois State Police Academy, which is and for the time being, still taking recruits for municipalities & counties.

The only caveat for the ISP academy was, LPD would have to supply the January class with an additional officer, who would be a "supervisor" for the January class. My intention was to utilize Mike Fruge in that supervisor's position as he was expected to be off on medical leave until sometime in February, anyway. Then the ISP Academy came back to us, advising they were only going to accept one recruit, as they did not have the space in the January class for 2 recruits, but we still had to provide an officer for the supervisor's position.

A short time later, which was approximately 3 weeks ago, D/C Meister & I were advised, Takarri Long was given a conditional offer of employment for Normal Police, starting the academy on January 9th. Takarri Long accepted the position with Normal PD.

A day or so later, I saw and spoke to Rod Morgan, Noah's father. I asked Rod if Noah were sent to a January academy, would Noah be able to pass the power test upon entry. Rod advised me that Noah was not ready, as he could only do approximately 28 sit-ups in one minute, whereas at the academy, his age requirement has to do 38 sit-ups in one minute.

D/C Meister and I made the decision to hold off, sending Noah and Christina Lashbrook to ANY January class, as the time constraints were becoming insurmountable, let alone sending someone who would ultimately fail the fitness test upon entry. This is coupled with completing background checks, the pre-employment testing and fitting each one with the proper equipment.

In turn, since D/C Meister and I knew we had time to spare with the new-hires, we turned our attention to the sole lateral applicant we had. D/C Meister made contact with Greg Cox, a Mason County Deputy, who came to the LPD and met with D/C Meister. Cox advised he was still interested in pursuing the opening here. The detectives began Cox's background check, completed Cox's personal interview and D/C Meister scheduled his pre-employment testing, which was to begin today, 12/16/21. On 12/15/2021, D/C Meister was sent an email from Cox who withdrew his application and requested to be taken out of the hiring process, as he was staying with the Mason County Sheriff's Office.

On 12/12/2021, D/C Meister received an application for lateral entry. Since D/C Meister already had a pre-employment testing schedule made for Greg Cox, we are now sending the newest Lateral Entry Applicant, in Cox's place. Yes, I completely understand, we are bringing the cart before the horse per se, but due to the circumstances, we felt it necessary to forge forward with hiring process. In turn, I do not foresee any hindrance in somewhat having the pre-employment testing coming prior to the background check.

Additionally, all within this short time frame, we now have great potential in losing one of our experienced officers to another agency, which will more than likely take place in January or early February. This is along with, West Lincoln Broadwell and Chester East Lincoln Schools have approached us with a possible request for a School Resource Officer, where the time of the SRO will be shared between the 2 schools.

DEPUTY CHIEF JOSEPH MEISTER

In summary, we still have to replace Jim Rehmann(retired), Paul Adams(retired), Jake Kitner(retiring soon), a Veteran Officer with rank(leaving for another agency) and hiring an officer for the WLB-CEL, SRO spot.

All in all,.....5 new officers within the next few short months or by the end of spring.

For now, we are moving forward with the hiring of lateral entry applicant, who will fill Rehmann's position. Rehmann retired 07/31/2021. Approved by City Council in August 2021.

D/C Meister and I are attempting to get 2 spots in the Macon County Police Academy for the April Academy Class, hiring Noah Morgan and Kristina Lashbrook from the new hire list. These 2 new hires, will replace Paul Adams and the veteran officer who is separating. We will then begin recruiting for lateral entry applicants or sending the #4 on the new hire list to the academy in July. This hiring will be to replace Jake Kitner and possibly the new SRO for WLB-CEL Schools.

Financial Breakdown

*Officer Aaron Pickett resigned in October 2020,(Duty Disability), who was replaced by hiring Officer Chris Phillips, February 1st 2021. 4 months of pay saved, without replacement. Approximately \$21,830 in wages saved.

*Officer Chase Fox resigned from LPD on January 23rd, 2021, who was replaced by hiring Collin Antoine on August 1st, 2021. 6 months of pay saved, without replacement. Approximately \$30,927 in wages saved

*Sgt. David Oltmanns retired May 6th, 2021 who was replaced by hiring Officer Cody Curry, September 1st, 2021. 4 months of pay saved, without replacement. Approximately \$26,649 in wages saved.

*Sgt. Jim Rehmann retired August 31st, 2021. Sgt. Rehmann will be replaced by hiring our only current lateral applicant. 4 to 5 months of pay saved as of this writing, without replacement until January 16th, 2022 or February 1st, 2022. Approximately \$33,656 in wages saved.

*Chief Paul Adams retired October 31st, 2021. 2 months of pay saved with there being no candidates hired for Adams' replacement until at minimum, April of 2022. Approximately \$26,025 in wages saved.

LINCOLN POLICE DEPARTMENT

CHIEF OF POLICE MATT VLAHOVICH

DEPUTY CHIEF JOSEPH MEISTER

*Impending resignation by one of our veteran officers with rank, anticipated sometime in January or February, 2022. Several months of pay saved with there being no academy vacancies until July, 2022 or beyond.

*Impending retirement of Cpl. Jake Kitner, who will begin a lengthy vacation at the end of March until approximately June 28th 2022. Cpl. Kitner's replacement will be the sole financial burden to the City of Lincoln, if any at all, due to the savings incurred by the aforementioned savings in wages. Police Training Academies are full through at least the middle of year 2022 if not beyond. However, I am requesting consideration from the Council to approve Kitner's replacement early, to get ahead of the hiring process, with regards to pre-employment testing, back-ground checks, equipment distribution and potentially having difficulty in finding Police Academy space in the second half of year 2022. Should a lateral entry applicant be available, I am requesting to move forward with hiring of such.

*If an Officer is hired and assigned to WLB-CEL School Resource position, the assigned Officer's salary and benefits will be paid in full by the School Districts, therefore removing any cost incurred by the City for that Officer, except for uniforms and equipment.

My plan is to promote Tim Butterfield to Corporal, who will fill the vacancy left by Shawn Pettit, who was just promoted to Sergeant. I may also have to promote Chris Reed to Corporal in late winter, depending upon if and when, the veteran officer leaves us for another agency.

Thank You for Consideration & Best Regards,

Chief Matt Vlahovich
