CITY COUNCIL MEETS FIRST AND THIRD MONDAY NIGHTS EACH MONTH

To: Mayor and Aldermen of the City of Lincoln

From: Andrew Bowns, Wastewater Project Manager

Meeting Date: August 9, 2022

RE: Belt Filter Press Replacement Parts

Background

The current sludge belts on the belt filter press are starting to deteriorate, and need to be replaced.

Analysis/Discussion:

These are normal wear items that have to be replaced every couple of years. The currently installed belts have reached the end of their life cycle and must be replaced. This piece of equipment de-waters the solids in the plant, so that they may be land applied.

Fiscal Impact:

The belts will cost \$6,321.37 plus freight which is currently quoted at \$126.29 for a total of \$6,447.66.

Council Recommendation:

Approve the purchase and delivery of the belts, to be expensed from line item "50-7400-5116 Supplies-Materials".
