To the City Officials
City of Lincoln, Illinois

Thank you for the opportunity to submit a proposal to provide audit services to the City of Lincoln, Illinois. This proposal provides information about Estes, Bridgewater & Ogden, our qualifications, and references, including the specific information requested in your request for proposal.

We appreciate being considered and we assure you that if this proposal is accepted we will give the assignment our close and continued attention. We are available to discuss this proposal more fully with you and answer any questions at your convenience.

Very truly yours,

ESTES, BRIDGEWATER & OGDEN

Lori Milosevich
Lori K. Milosevich, Partner, CPA

DESCRIPTION OF ESTES, BRIDGEWATER AND OGDEN AND RELEVANT EXPERIENCE

Estes, Bridgewater & Ogden is a local certified public accounting firm that traces its origin back to 1918. The firm has one office located in Springfield, Illinois. We have four partners and five professional staff. We serve clients ranging from very large national to medium and smaller size organizations, which include governmental, not-for-profit organizations, and for-profit entities. We provide the following services:

- Accounting and Auditing – Our firm is involved in providing accounting and auditing services for governmental, not-for-profit organizations, and for-profit entities. We have extensive experience in governmental and not-for-profit accounting and auditing. We require our partners and staff to obtain continuing education hours that meet or exceed the requirements as outlined in Government Auditing Standards (The Yellow Book).
- Tax Planning and Preparation – We provide tax services to our clients, which include tax return preparation and tax research for individuals, partnerships, corporations, estates, trusts and not-for-profit organizations. We also represent clients before various regulatory agencies such as the Internal Revenue Service and the Illinois Department of Revenue.
- Computer Consulting – We offer a wide range of services to our clients with regard to installation of computerized accounting systems, computerized general ledger and journals, computer-prepared financial statements, and the preparation of federal and state income and information tax returns.

Estes, Bridgewater & Ogden is licensed by the State of Illinois for public practice. The firm is enrolled in the quality review program as required by professional standards of the American Institute of Certified Public Accountants. We have continually received unqualified opinions that assured us that our system of quality controls meet the standards established by our profession. We have included a copy of our latest peer review report.

In regard to the City of Lincoln, our firm meets the independence requirements issued by the standards of the American Institute of Certified Public Accountants.

AUDIT APPROACH AND FEES

Our fee proposal anticipates the audit would be conducted in accordance with generally accepted auditing standards as issued by the AICPA and Government Auditing Standards of the U.S. Comptroller General.

If we determine that federal funding levels require that you have a Single Audit under the Uniform Guidance, we will discuss with you the additional fees to perform extended procedures and reporting that would be required. This proposal does not include those fees.

The fees proposed below are for the fiscal years ended April 30, 2022, and 2023 and will not exceed the following:

Preparation of the Annual Audit Report of the City of Lincoln (30 copies) and the Illinois Annual Financial Report	<u>\$24,800.00</u>

MEMORANDUM

TO: Mayor and Aldermen of the City of Lincoln

FROM: Walt Landers, Street Superintendent

MEETING

DATE: March 29, 2022

RE: Engineering Services

Background

It has been expressed that there is an interest by some to go out for request for proposals regarding engineering and design services for the City of Lincoln. Areas where engineering and design services are needed range from the annual Illinois Motor Fuel (MFT) Maintenance Program and other various municipal capital projects.

Analysis/Discussion

Farnsworth Group Inc. was awarded the contract for engineering services for the City of Lincoln in January 2015. Since then, their firm has overseen our MFT Maintenance program, design and construction engineering services including road reconstruction and resurfacing, sidewalk and curb replacement. They have also designed and construction engineering on two bridge replacements projects and teamed with city staff to complete a pavement study of all city streets. Farnsworth's architectural division worked on the new Municipal Services Building project.

I believe that the engineering services provided by Farnsworth Group regarding our MFT maintenance program, reconstruction and resurfacing and curb and sidewalk projects have been excellent. Farnsworth staff was also instrumental in helping the city through an MFT audit by the Illinois Department of Transportation that spanned multiple years. It would be my recommendation that we continue to use Farnsworth Group in the manner we have in the past.

If the council would like to explore other options regarding engineering services, there are upcoming projects that the city could go out for RFP'S. The remaining Rebuild Illinois Bond money will fund at least one other project if not two. This would allow the city to gauge the market and allow other firms an opportunity to work for the city. Also, CMT is currently putting together a Professional Services Agreement for design and construction engineering for a resurfacing project on N. Union St. It is for approximately 1000 feet of N. Union St from Woodlawn Rd. to Brainards Branch. This is one of the areas impacted by last year's sewer project and construction of the new lift station.
