Oasis Senior Center*

On Sunday, the Oasis Senior Center hosted a barbecue lunch and public auction in the dining room of the Senior Center.

Guests arrived in time for a great lunch, then filled the house for the auction.

There were hundreds of items up for auction. Among the most interesting items to go on the auction block was an opportunity to throw a pie in the face of Dave White. When the bidding was finished, the opportunity brought in \$500 with the winning bidder being Marvin Board.

True to his word, White "took one for the team"....uh... for Logan County seniors.

At the end of the day, the fundraiser brought in just over \$4,300.

The money earned will be used to help continue offering valuable services to the senior population of Logan County.
