

A photograph of a stone chapel with a central tower and arched windows, surrounded by trees. The chapel is constructed from light-colored stone blocks. The central tower features a circular window near the top and a gabled roof. Below the gable, there is a large arched doorway. On either side of the doorway are smaller arched windows. The chapel is set against a backdrop of lush green trees, with some trees showing early autumn colors. The overall scene is peaceful and serene.

*A Visit  
to the  
Chapel*
