

The background of the entire page is a vibrant, high-contrast image of fire. In the foreground, there are bright orange and yellow flames. Behind them, a fire engine is visible, its red and yellow colors partially obscured by the fire. The overall effect is one of intense heat and energy.

Middletown Firemen's Fall Festival

Water Ball

Middletown's
Volunteer
Fire Departments
60 YEARS!

By Angela Reiners

The background of the entire image is a close-up, high-contrast photograph of fire. The flames are a mix of bright yellow and orange, with darker orange and red tones in the shadows. The texture is highly detailed, showing the swirling and rising patterns of the fire. The overall effect is one of intense heat and energy.

The Firemen's Waterball Challenge featured teams from a variety of departments around the area. After their challenge, the firefighters set up a new competition for the youngsters.

After the waterball challenges ended, a group of kids had fun splashing around and cooling off in a tub of water the fire department had filled up.
