

*St. Clara's Rehab & Senior Care
celebrates first year at new location
with a look back to the past*

Nila Smith

Wednesday evening St. Clara's Rehab and Senior Care celebrated the one year anniversary of their new facility on the city's west side with an open house.

Guests were invited to visit the activity room where a history of the St. Clara's from hospital to nursing home on Fifth Street to the new facility could be viewed. Longtime board member Tonita Reifsteck was on hand to talk with guests about the history that was laid out through photos and newspaper articles. The display even had an amazing picture of the original St. Clara's hospital.

Guests enjoyed foods from savory bites to decadent sweets along with a choice of cocktail or punch.
