

# COVID-19 Update

## COVID-19 Update: June 30, 2020

This is a joint communication from the Logan County Department of Public Health and Abraham Lincoln Memorial Hospital updating you on the status of coronavirus (COVID-19) in Logan County. This communication will come only when a NEW COVID-19 positive case is confirmed and identified as someone who resides in Logan County.

The Logan County Department of Public Health has confirmed that a Logan County man in his 30s has tested positive for COVID-19. He is symptomatic and is isolated at home.

The total number of confirmed positive cases in Logan County is now **15** including **12** individuals who have recovered.

### Logan County Data

The table below represents Logan County residents. This table is maintained by the Logan County Department of Public Health and is available at [www.lcdph.org](http://www.lcdph.org).

A recovered individual is someone who has tracked their symptoms twice daily and reported that they have been symptom-free for 72 hours to the Logan County Department of Public Health. The total number of positives on the Logan County dashboard represents a historical running total of confirmed positive cases. Recovered individuals are never removed from the total number of positives.

### Statewide Data

A continually updated map of statewide data is maintained by the Illinois Department of Public Health and available online at: <https://www.dph.illinois.gov/topics-services/diseases-and-conditions/diseases-a-z-list/coronavirus>
