## COVID-19 Update: June 19, 2020

This is a joint communication from the Logan County Department of Public Health and Abraham Lincoln Memorial Hospital updating you on the status of coronavirus (COVID-19) in Logan County.

Logan County Department of Public Health has announced that a Logan County resident has tested positive for COVID-19. The individual is in their 50s and is isolated at their home.

The total number of confirmed positive cases in Logan County is now **13** including **11** individuals who have recovered.

### Logan County Data

For updated information related to cases in Logan County, please visit [www.lcdph.org](http://www.lcdph.org).

A recovered individual is someone who has tracked their symptoms twice daily and reported that they have been symptom-free for 72 hours to the Logan County Department of Public Health. The total number of positives on the Logan County dashboard represents a historical running total of confirmed positive cases. Recovered individuals are never removed from the total number of positives.
