COVID-19 Update: August 28, 2020

This is a joint communication from the Logan County Department of Public Health and Abraham Lincoln Memorial Hospital updating you on the status of coronavirus (COVID-19) in Logan County. This communication will come only when a NEW COVID-19 positive case is confirmed and identified as someone who resides in Logan County.

The Logan County Department of Public Health has confirmed the following new cases of COVID-19 in Logan County:

- An individual in their 20s who is symptomatic and is isolating at home.
- An individual in their 40s who is symptomatic and is isolating at home.
- An individual in their 40s who is symptomatic and is isolating at home.
- An individual in their 40s who is symptomatic and is isolating at home.
- An individual in their 50s who is symptomatic and is isolating at home.
- A teenaged individual who is symptomatic and is isolating at home.
- An individual in their 30s who is asymptomatic and is isolating at home.
- 2 individuals who are isolating in residential facilities in the county.

The total number of confirmed positive cases in Logan County is now **254** including **215** individuals who have recovered and **1** fatality.

Logan County Data

A continually updated table of Logan County data is maintained by the Logan County Department of Public Health and is available at www.lcdph.org.

NOTE: A recovered individual is someone who has tracked their symptoms twice daily and reported that they have been fever free for 24 hours to the Logan County Department of Public Health. The total number of positives on the Logan County dashboard represents a historical running total of confirmed positive cases. Recovered individuals are never removed from the total number of positives.

Statewide Data

A continually updated map of statewide data is maintained by the Illinois Department of Public Health and available online at: <https://www.dph.illinois.gov/topics-services/diseases-and-conditions/diseases-a-z-list/coronavirus>

Free Testing Provided by the Logan County Department of Public Health

The Logan County Department of Public Health is conducting free drive-thru COVID-19 testing for anyone at the Logan County Fairgrounds between 9am-11am every Tuesday and Thursday, weather permitting. Participants should bring photo identification, remain in their cars, and wear face coverings. Traffic should enter through the west gate of the fairgrounds
