FROM OUR PASTOR...

Dear Friends,

“Here comes Peter Cottontail, hopping down the bunny trail. Hippity hoppity, Easter’s on its way!” For some reason that is the song that I sing in my head when I know Easter is coming. I am a child of God at heart, after all! And so are we all. Those of us who like to become “like a child”, (as opposed to “childish” which really may mean self-ish), enjoy the small things in life. We enjoy the crocuses that are blooming, the promise of tulips, daffodils, and other early flowers. We even enjoy dandelions and clover, both beautiful and delicious (if you’re a bunny). April is a month that says “Promise” and “Hope” and this year, “Relief”! Little by little, with more and more vaccinated, we can see signs that soon, just maybe, Covid will be less and less and normalcy will be more and more. What a wonderful celebration of life conquering death and destruction!

Jesus’s life, day by day, sermon by sermon, conversation by conversation and story by story are all about rising above the hate and evils of the world to embrace compassion and kindness. I’m writing this Easter letter to you just two days after the shootings in Boulder, Colorado. Turning on the news, there are so many reports of hate. And some voices on tv and social media invite us to hate right along with them. But Easter is about letting go of hate and destruction. Nothing would bring more hate than if someone took us, nailed our hands and feet to a cross and hung us up to die. The words of Jesus, “Forgive them, for they know not what they do” is simply amazing! Most of us have reptilian responses of guttural anger and hatred to those who hurt us and would not be able to respond with such grace. But Jesus, both in life and in death taught us that it is possible to rise above these child-ish responses to be children of God in the hippity hoppity blessed Easter ways. That sounds flippant and superficial, but it is meant to convey: we are Easter people and Easter people forgive; Easter people do not allow evil to rule; Easter people love unconditionally, even when it’s

really difficult; Easter people do not judge others; Easter people are kind and generous. Easter people are humble and enjoy the beauty of all life around them.

“Up from the grave He arose!” is a hymn I remember singing as a child, bending down and then as I sang that line, rising and even jumping up with my arms in the air. I don’t recommend that now for most of us, but our hearts can be lifted up with joy, grace, peace, love and kindness every time we find it, even in the midst of a broken society filled with hardened hearts, angry responses, and hurt souls. As Easter people, we are now called to be the light of God to our community. Enjoy and be blessed this Easter and this April!

Pastor Laurie

NEW BUSINESS

Pastor Laurie provided Council a copy of the new CDC protocol and guidelines. She indicated that there was interest expressed by certain church committee's that if all participants are fully vaccinated per the CDC guidelines if they can meet without masks. This would apply to all parties being church members or outside groups. Discussion took place and President Goetsch asked if there were any objections to allow this new amendment to protocol and none were raised. Next meeting is scheduled for April 19, 2021.

Respectfully submitted by Tricia Pineda
Church Council Secretary

MEET OUR NEW CUSTODIAN

We have welcomed a new Custodial Caretaker! Her name is Dana Denny. She has mostly lived and worked in the Champaign area, including Gibson City. When Covid hit, she moved back to Lincoln, where she and her life partner, Anthony, could be near family.

She has worked as a custodian/cleaner and gradually became a crew leader and trainer of other cleaning crews. She has a 7-year-old son who often comes to work with her, named Riley. Riley makes us smile when he's around because of his delightful personality. Dana is keeping us sanitized and cleaned up so very well! Dana is camera shy but if you see a young woman pushing a vacuum or with a rag in her hand, please welcome Dana and Riley to the St. John UCC family.

RINGERS NEEDED...

We are seeking ringers for our Hand Bell Choir. The more hands we have in the choir the more bells that can ring praises to our Lord!

Experience with music is preferred, but training on how to ring bells is available to all who would like to be a part of this group.

Contact our director, Calob Pluhm,
at cpluhm@gmail.com if you are interested.

If you are interested in Zooming, please contact the Church Office for more information.

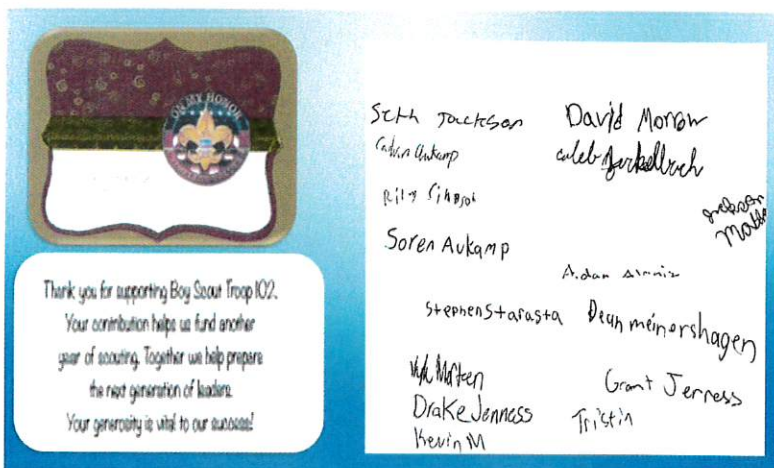

Our camps are working in creative ways for the **children of coming generations** to continue having a camp experience bringing them **“out of the ordinary and into the future”**.

This year we are offering **Campcation!** This option of renting our cabins and facilities to families **for short term getaways** gives you an unique way to enjoy time together in a safe environment. Plus... this is a great opportunity to help our camps with the potential rental income.

If you wish to escape this year on a **Campcation** or need details call **Tower Hill at 269-426-3881** and **Pilgrim Park at 815-447-2390**.

Dates may fill up quickly, as we are close, yet far away, so enjoy the air, relax in the sun, camp is the getaway for 2021!

A FEW NOTES...

The Church Office is open from **9:00 a.m. to 12:00 noon and 1:00 to 4:00 p.m. Monday – Friday.**

- All must wear a mask.
 - All must either wash their hands or sanitize upon arrival.
 - All must stay 6’ away from each other.
 - All visits to the Church must be made by appointment only. You can call the church office, 732-6957, to make an appointment (we need to know when and who is in the building).
 - Don't Forget: Although more and more are vaccinated, we (who are vaccinated) can still transmit the Covid virus to others who may be more vulnerable. Even though we are vaccinated, we ourselves can still become ill from a variant not covered in the vaccine. So, we still need to be loving our neighbor by wearing our masks, sanitizing our hands, and staying physically distant when possible.
- One baby step toward normalcy: The CDC says that now, if everyone in a small group is vaccinated and the two weeks has passed, then you can gather without masks. Caution: Not everyone CAN get the vaccination and not everyone has been. So, please love your neighbor by following social protocol unless you are ALL vaccinated. Let us all be kind and loving!
- NOTE: If you need to talk or have questions or concerns, please do not hesitate to call Pastor Laurie! 217-521-7747!

WE EXTEND OUR DEEPEST SYMPATHY TO...

Norma Kramer at the death of her uncle, Bert Burge.

Tonita Reifsteck and family at the death of her cousin Doug "Dutch" Mann.

Dana Denny and family at the death of her cousin.

Maureen White and family at the death of her husband, Ed White.

CHARITY GUILD TO MEET

Tuesday, April 13, 2021

2:00 p.m.

Meet on the grassy area west of main parking lot. In case of inclement weather, the meeting will be held in Wilmert Lounge

We need input and suggestions regarding the below topics:

Charity Guild: Continuation of our service projects such as funeral dinners?

Formation of new group "Celebrate Life"

Do we want to meet once a month for birthday or other celebrations/concerns at local restaurants?

It would be easier to meet at a certain day of the month and time each month with possible change of location?

Special recognitions of birthdays, etc. can also be made by sending a greeting card, phone call, text message, etc. for those unable to attend in person?

All ladies of the church are encouraged to join this new group. You are welcome to be a member of this group, even if unable to attend any of the physical meetings.

If you are interested; please leave your contact information – text number or phone number (if unable to text). Contact: Sandy Wilmert, Karen Birnbaum, or Toni Reifsteck.

The decisions on the workings of the above two groups will be a "work in progress", with needed changes made along the way.

We hope to share decisions made from the above meeting in the May edition of *The Chimes*.

MEET OUR NEW BELL CHOIR DIRECTOR

Calob Pluhm, our new Bell Choir Director at St. John UCC, is a trombonist and director of bands and choirs in Mt. Pulaski schools. He was born and grew up in Sycamore, Illinois, to Frank and Lisa Pluhm. His sister Jessica is just 10 months younger. He quotes his mother as saying she didn't want to deal with diapers any longer than she had to. Sadly, she passed away about five years ago.

Calob started playing trombone in 5th grade, and the trombone remains his primary instrument, though as a band director he has to be able to play everything. In high school he was in all the bands – symphonic band, jazz band, marching band – and sang in the jazz and madrigal choirs. One influential person during his school years was his band director Ken Goodman, who “believed in me” and chose him for section leader and, in his senior year, drum major. The marching band show that year was called “Copland and Cowboys.” Musical selections for the show included Aaron Copland's Rodeo and Fanfare for the Common Man. Being drum major gave Calob a taste of directing and helped lead toward his decision to make music his career.

Another very important influence was his private trombone teacher Kirk Lundbeck, who played professionally with the Chicago Symphony and has recorded on movie soundtracks, including The

Incredibles. Mr. Lundbeck directed music at Calob's church, St. John Lutheran, so of course he sang tenor/baritone in the church choir, played in the bell choir, and did instrumentals.

At Illinois Wesleyan Calob majored in Music Education. He continued to perform in various bands and a handbell choir, but he never directed bells until he came to St. John UCC. After graduating he taught for three years at Hartsburg, directing band and choir as well as a musical that included members of the community in the orchestra. He is now in his third year in the Mt. Pulaski School District, where he teaches band for grades 5-12 and directs the band, pep band and choir. He and Rob Siebert are currently co-directing the musical Little Shop of Horrors.

Our new bell director lives in Normal. Besides performing and listening to music, he enjoys cards and has found an app that allows him to play during the pandemic. Calob enjoys playing pinochle and euchre with his grandparents and sister. He thanks the St. John congregation for having him as Bell Choir Director and appreciates how welcoming everyone has been. We're glad to have you with us, Calob!

MISSION COMMITTEE...

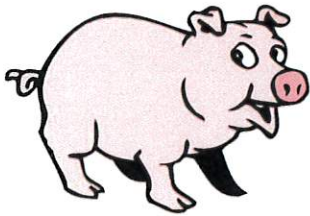

By: Verdeen Ingram, Co-Chair

SPECIAL OFFERING SUNDAYS...The Mission Committee has designated the following Sundays:

- **Second Sunday of each month** a special offering will be taken following church for the new **Children of Lincoln project**.
- **Fourth Sunday of each month** a special offering will be taken following church for the **Diaper Project for Head Start at Community Action**.

Pork Project

We have several hunters in our family, so we eat a lot of venison. We really enjoy eating the chops and roasts. When it comes to making sausage,

though, we always like to add some pork. The pork adds fat so the sausage doesn't dry out, and the flavor of the pork really enhances the venison.

Of course, I would never turn down pork sausage or ground pork. It is great meat to eat plain, on a burger or added to a favorite dish. That is what the Pork Project provides for the people coming to the food pantries - great meat for a variety of dishes.

April is Pork Project month at St. John. We will be collecting to pay the processing fees for pigs

donated by local producers. Please drop your donation in the plate in the back of the sanctuary, send it to the church or drop it in the church mailbox anytime during the month. Please write Pork Project on the memo line of your check.

This is a great farm-to-table project that benefits the community through our two food pantries. Thank you for continuing to support local families!

April 22nd is Earth Day! Let's celebrate! We can celebrate all of the recycling that we have done at St. John during this past year. And we can re-examine our efforts as well. How many of these recycling projects have you supported?

- Plastic caps and lids
- Pop tabs
- Rechargeable batteries
- Aluminum cans
- Greeting cards
- Stamps
- Athletic shoes
- Ink cartridges
- Cell phones
- Eyeglasses
- Various items for Christian Child Care

Please celebrate Earth Day every day by continuing to gather these items and dropping them off under the Giving Tree. We appreciate your help as we support others through our recycling efforts. Thanks to all!
