

Mt. Pulaski Salutes Its Veterans

The community of Mt. Pulaski is being given the opportunity to salute its veterans. The American Legion Auxiliary is sponsoring banners that will hang on light poles on Vine Street. The banner will have the veteran's portrait, name and branch of serve that he/she served in. The vinyl banners will measure 2'x4' and posted in May and taken down in November. Cost per banner will be \$100 which the family will be asked to cover. When the banners come down, the family will be given the veteran's banner.
